Alexandria, VA 22313-1450

Pursuant to 37 C.F.R. § 1.78, Applicants hereby petition for acceptance of an unintentionally delayed priority claim for the benefit of a previously filed U.S. provisional application.

This application is a divisional application of U.S. Patent Application No. 09/841,268, filed April 24, 2001, entitled "System for Providing Content, Management, and Interactivity for Thin Client Devices," which claims benefit of 60/268,434, filed February 21, 2001, and 60/199,638, filed April 25, 2000, and which is a Continuation-in-Part (CIP) of patent application number 09/519,007, filed March 3, 2000, which claims benefit to 60/122,727, filed March 4, 1999.

In the priority claim for the present application, Applicants erroneously and unintentionally omitted reference to U.S. Provisional Application Serial No. 60/122,727. Applicants respectfully request that the unintentionally delayed priority claim for the present application be accepted.

An Application Data Sheet reflecting the omitted application is provided herewith.

Applicants submit that the entire delay between the date the claim was due under 37 C.F.R. § 1.78(a)(2)(ii) and the filing of this petition was unintentional.

This Petition accompanies an Amendment for the above-referenced application that requests insertion of a cross-reference to U.S. Provisional Application Serial No. 60/122,727. Should this petition be granted, Applicants request that the Amendment and the Application Data Sheet be entered in the file.

Applicants submit herewith a fee in the amount of \$1,410.00 (i.e., the fee under 37 C.F.R. 1.17(t)) required pursuant to 37 C.F.R. §§ 1.78(a)(3)(ii) and 1.78(a)(6)(ii).

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this response, or credit any overpayment, to Deposit Account No. 19-0741. Should no proper payment be enclosed herewith, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 19-0741.

Respectfully submitted,

By:
